

Jessi & Brett

WE ARE JESSI & BRETT. We were married in 2011 in Catawba, Ohio and have spent the last ten years enjoying every moment together. We love to travel and spend time together as a family. Our biggest joy came in 2018 when we met our adopted daughter, Quinn. She has brought a new meaning to our life and we cherish every moment we are together. Adoption touched our hearts and we have immense amounts of love to give and look forward to another addition to our family. We have loved watching Quinn grow and develop as a little person and feel blessed to be responsible for her compassionate and loving personality. Our family radiates love, and we want so badly to share it further with a future son or daughter.

JESSI

Jessi is an accomplished sales representative with restaurant clients spanning the country and is about to celebrate 15 years with her company. She is passionate about her career and enjoys flexible hours as she works from home. Currently, she is completing her bachelor's degree in business from Kent State University and looks forward to being a proud graduate in two years! Her hobbies include playing with Quinn, crafting, gardening, shopping, and anything that involves the outdoors. She lives for her family and is the best mother to our 2-year-old daughter, Quinn, and golden retrievers Ollie and Bax. Her favorite holiday is the 4th of July! Her parents have a house on a lake where we all enjoy fireworks and swimming.

BRETT

Brett is the Vice President of Fraser Video Productions and is a talented videographer and producer, working for FVP for 23 years. There are many commercials seen on television that he has filmed and produced! He is already a proud graduate from Kent State University as well as culinary school. He has the biggest heart and is usually the center of attention. Kids and adults are all drawn to Brett and his funny, kind and shining personality. His favorite hobby is playing with Quinn every chance he gets along with collecting Bourbon. His family is the world to him and is the most devoted husband and father. Being a father is the most rewarding thing he has ever done in his life.

Home

We built our house in Concord Township, Ohio a little over five years ago. It has the best backyard that Quinn and "the boys" love to play in. We have an incredible group of neighbors that are like family and send their kids over to play often. We love to be home and enjoy the simple things like playing with Quinn on her playground and hosting neighborhood get togethers. We have a playroom, Quinn's room and two other rooms on the same floor and look forward to adding a nursery!

QUINN

It was love at first sight when we were blessed with our adopted daughter Quinn in 2018. We experienced a new meaning to love when she

came into our lives. She is smart, fun, compassionate and loves to play, sing, and talk. We have an open relationship with her birth family and love getting together with each other. Everybody that meets Quinn falls instantly in love as she has the most contagious smile and gives the best hugs. She is incredibly loving and talks about a brother or sister joining our family.

“THE BOYS” OLLIE & BAXTER

We have two 7-year-old Golden Retriever brothers who are the sweetest dogs! They love to play and are especially happy now that Quinn can throw the ball for them. These boys are spoiled and enjoy birthday parties and a lot of swimming!

Thank You!

Thank you for taking the time to get to know us and for considering us to raise your child. We can promise our commitment to showing and saying I love you every single day. Know that if we are chosen, your precious gift will be appreciated, loved, and cherished more than words could ever express.

WE LOOK FORWARD TO CONNECTING WITH YOU

If you have any questions for us or would like to speak with us about adopting your child, please contact your case worker at Open Arms Adoptions by calling 330-697-4751 or 614-349-1510.
