

TANNER & BRIANNA

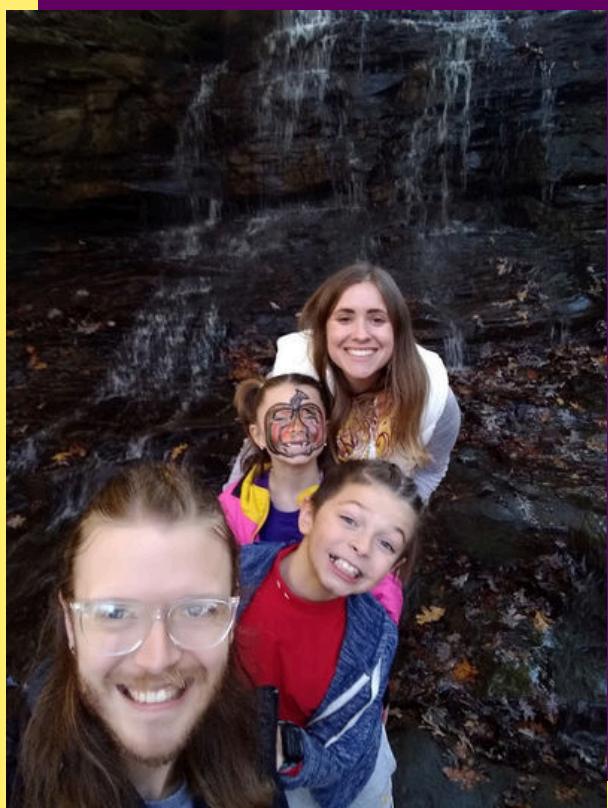

Hello

We are Tanner and Brianna, and we would like to thank you for taking the time to learn more about our family. Please know that whatever you are going through, we value and respect both you and your story. You are loved, and we pray that you will find peace in the decisions you are making.

We believe that family is dynamic and ever-growing, with no two families looking quite the same. Many of our close friends and family members were adopted.

Our two children joined our family through adoption, and we are blessed to be their parents. They teach us grace and compassion each day, and we are so proud of who they are.

“Family is the most important thing in our lives.”

Our Family's Journey

We met during college through a mutual friend in 2013. We soon became fast friends and started dating a few months later. We were engaged in 2014 and married in 2015.

Many of our close friends and family members were adopted, and adoption has been on our hearts since the early stages of our relationship. It has always been our plan to adopt. Our children, Gabe and Lucile, officially joined our family through adoption in 2021. We are so proud to be the parents of such wonderful kids. They have so much love to give and are beyond excited to welcome another sibling into their hearts and lives.

Gabe

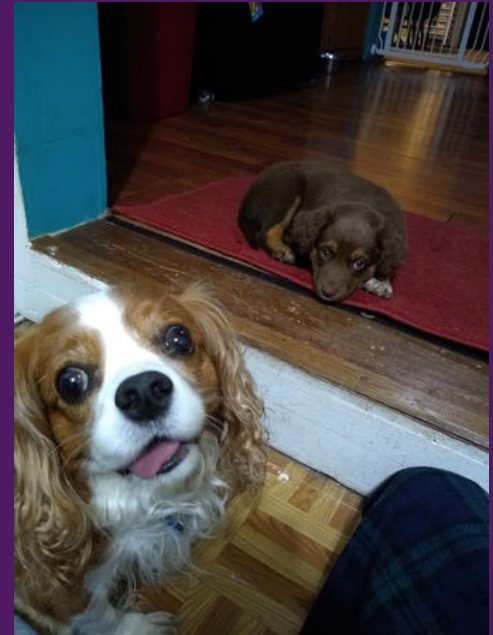

Gabe is an inquisitive ten year old and is eager to learn new things. He is always ready to meet new people. He loves reading, playing board games, and cuddling with his cat, Theo. He currently plans to be a pilot when he is older so that he can continue exploring new places. Gabe enjoys swimming and biking along with playing basketball and tennis.

Lucile

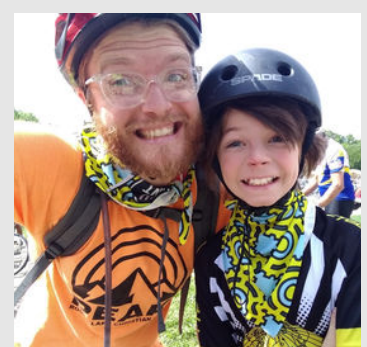

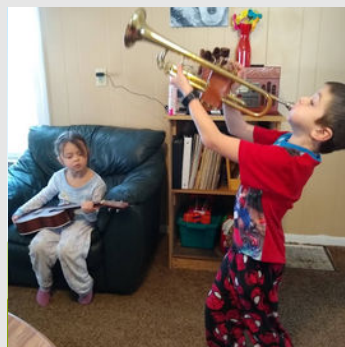

At seven years old, Lucile is always ready for a new adventure. She loves spending time with family and friends, especially if they are cuddled up to read a book! Lucile dreams of being a vet when she grows up. She loves coloring, horseback riding, gymnastics and swimming. Lucile is very compassionate, and she is always the first one to welcome a new friend to the group.

Pets

Our family LOVES animals! We have two dogs, Petra and Buckeye, who love playing in the backyard with the kids. We also have a cat, Theo, and a rabbit, Fluffy. You will almost always find our kids cuddled up or playing with one of the pets.

Our Life

- Small town in Central Ohio
- Tight-knit community
- Near hiking and biking trails
- Enjoy kayaking and gardening
- Serve in our church & other community organizations
- Tanner & Brianna both work for family friendly non-profits

In having Gabe and Lucile join our family, we were also privileged to welcome several of their relatives into our family as well. Maintaining those relationships is very important to both us and our kids. We believe that no child can ever have too many loving adults investing in their life. Should you choose our family to raise your child, please know that we would be open to and supportive of whatever long-term relationship you felt comfortable with.

We would honor both you and your decisions, keeping you as an integral part of your child's story.

WE LOOK FORWARD TO CONNECTING WITH YOU
