# Hello!

We're Patrick and Liddia, and we're thrilled to share our story with you. Our journey together began back in 2015 when we met during our college years. Fast forward to 2019, we tied the knot and have been loving every moment of marriage since then. We call Cuyahoga Falls our home sweet home, where we live with our two adorable dogs, Maya and Marley.

Outside of our careers, you'll often find us coaching football and volleyball, cheering on our favorite teams at sporting events, or simply enjoying quality time with our friends and family. Our hearts are full as we embark on this next chapter of expanding our family through adoption.

## Liddia

Liddia's passion for children shines through every aspect of her life. As a special education teacher and volleyball coach, she brings a wealth of patience, compassion, and understanding to her work and relationships. Whether she's snuggling her newborn nephew Knox or caring for her favorite two-year-old, Asher, Liddia's joy in being around children is so evident. Her career and personal experiences have uniquely equipped her to create a loving and supportive environment for any child who joins our family.

## Patrick

Patrick is a computer engineer and youth football coach whose love for mentoring young athletes shines brightly. Whether he's on the golf course or the football field, Patrick's passion for teaching and guiding is evident in everything he does. His kindness, compassion, and genuine care for others make him a remarkable role model and future father.

# Our Family

Family is at the heart of our lives, grounding us with love and shared experiences. Patrick, raised in Columbus, Ohio is part of a close-knit family of five, including his two younger sisters. Liddia, who grew up in Silver Lake, Ohio, cherishes her family of four, which includes her younger brother. We are incredibly grateful to have maintained strong relationships with our families, who have been unwavering in their support and encouragement. Whether near or far, they are a constant source of love, guidance, and joy in our lives. They are eagerly awaiting the opportunity to welcome a new member into our loving circle with open arms and hearts full of excitement.

# Our Home and Pets

Our home in Cuyahoga Falls is nestled in a warm, family-oriented neighborhood that we adore. We are a short walk from our beloved Starbucks and a quick drive to the grocery store! Maya and Marley, our dogs, add to the lively atmosphere with their playful antics as we spend time outdoors, throwing the ball for them or enjoying walks around the neighborhood.

Our community is not just where we live; it's where we connect, grow, and build lasting memories. We envision our home as a nurturing sanctuary where a child can thrive, surrounded by love, laughter, and the embrace of a close-knit community.

Thank you from the bottom of our hearts for taking the time to learn about us and consider us as potential parents for your precious child. Your decision is profound and filled with love, courage, and strength beyond measure. We are deeply honored to be part of your journey, and we admire your selflessness and the love you have for your baby. Please know that we hold immense respect and gratitude for you, regardless of the path you choose. Your bravery and compassion inspire us, and we are committed to providing a nurturing, supportive, and loving home for your child. We are open to any form of relationship you wish to maintain with your child. Thank you again for considering us.
