HOPEFUL ADOPTIVE PARENTS

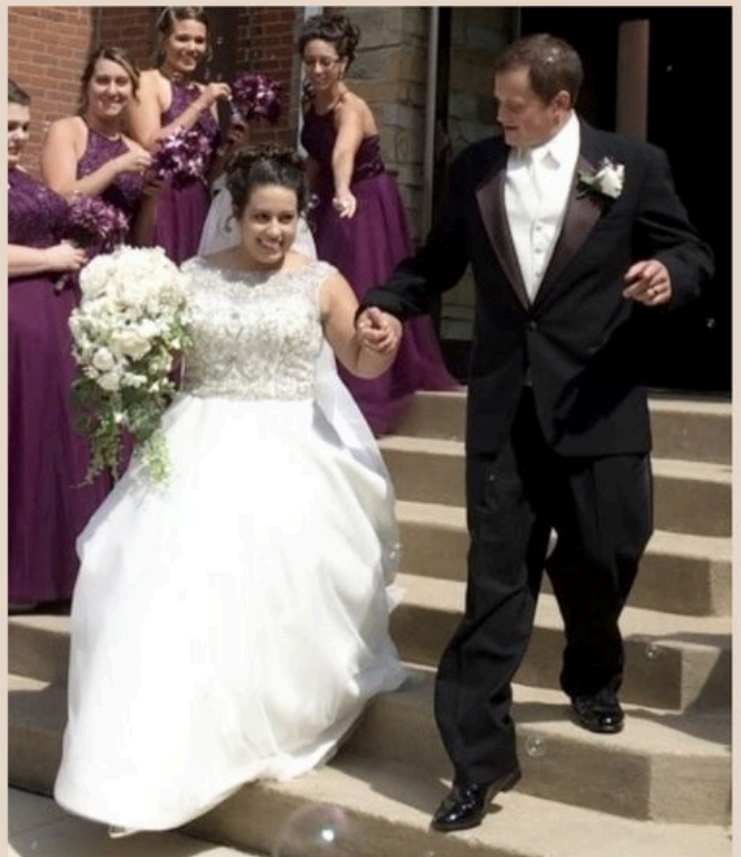

# Hello

We are Mark and Marisa. We would like to thank you for reading our profile. While we could never truly understand your unique experiences, we recognize that you may be feeling a wide range of emotions as you consider adoption for your child. We honor you for your strength! Please know that we will always want the best for you and your child, regardless of whether you choose us.

We hope you will consider us to be parents to your child. If chosen, we promise to offer love and kindness to you. We will follow whatever level of openness you are comfortable with throughout this journey and beyond. We will love you and your child unconditionally.

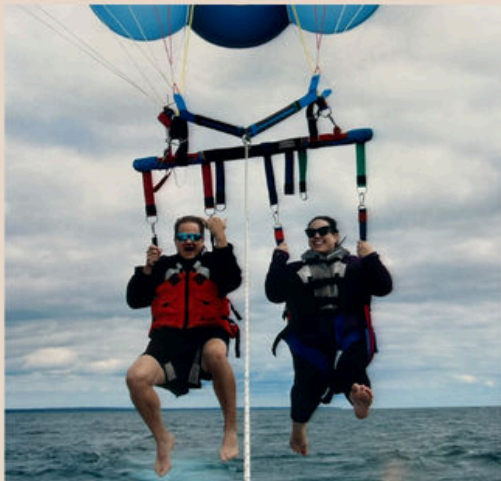

# About Us

We met in 2015 and married in 2017. We live in a quiet neighborhood in Northeast Ohio and both enjoy the outdoors, time with family, participating in church activities, and spending time together. We have two angel babies in heaven named Sofia and Isaac, and we would be happy to tell you more about them! We miss them every day. In 2021, we adopted our cat, Lola. She is very friendly, playful, and snuggly!

Family is very important to us. Mark has eight siblings and Marisa has one sibling. We have twenty-seven nieces/nephews! Our favorite family activities are Sunday night pasta dinners, playing volleyball, celebrating birthdays, enjoying holiday gatherings, attending church events, baking cookies for family weddings, and going out to eat.

Thank you for taking time to view our profile and consider us! We are looking forward to meeting you!

Sincerely,  
Mark and Marisa
