Tiffany is a caring person who loves her family. She grew up in Macon, Georgia, in a close home where faith and family were central. Her parents taught her about love, helping others, and staying strong. Tiffany worked hard in school and now helps others as a doctor and teacher.

She enjoys gardening, baking, traveling, and spending time outdoors with her husband, Seth. Together, they've built a loving home filled with faith and special traditions. Tiffany looks forward to sharing her love and care with a child through adoption.

Seth is a caring and creative person who loves helping others and spending time with family. He grew up in Cleveland, Ohio, in a hardworking family that valued kindness and resilience.

Seth works in tech, helping organizations make a difference, and enjoys mentoring kids and coaching basketball. In his free time, he loves sports, gardening, being outdoors, and traveling with his wife, Tiffany. Seth is excited to share his love, support, and values with a child as a devoted dad.

Home

We live in a diverse and welcoming community. It's close to Tiffany's work and has great schools, arts, and healthcare. Our home is across from a nature preserve with trails and a peaceful lake where we go on walks. We have a fenced backyard for playing, gardening, and summer barbecues.

Our neighborhood is full of friendly families, and we enjoy local events. We love celebrating holidays with family, sharing meals, games, and Tiffany's famous red velvet cake. We're part of a fitness club for tennis and fun, and we attend a local church, which gives us a strong sense of community.

Weekends include trips to the library and bakery, and our home is always filled with love, laughter, and visits from friends and family. With our dog, cat, and lots of joy, it's a wonderful place for a child to grow up.
