Hello!

**We are Josh and Christi and
our son's name is JB**

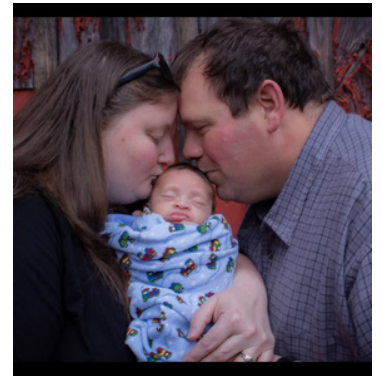

We believe what makes a family is not just about being biologically related but instead, it is so much more!

Family to us, is about caring for and loving each other no matter what. It's about creating memories together and supporting each other.

As a family we love to spend time together. Our favorite things to do are going on country drives, going to the movie theaters and doing anything outdoors.

JB keeps us active and loves spending a lot of time outside. The 3 of us are always looking to explore new outdoor adventures!

All of us are extremely excited to gain new family members through adoption. We can't wait to expand our family and give a special child all the love that they deserve.

*This is us and
This is our story!*

Josh

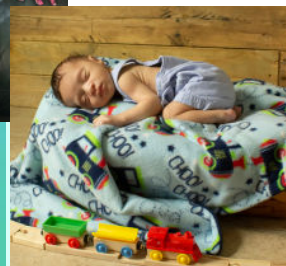

Josh was born in Kentucky and later moved to Ohio with his family. He is the second oldest of 3 boys. He spent a lot of his adult life as a Railroad conductor which allowed him to travel many places. For the last 13 years he has worked as a Railroad safety inspector.

Christi

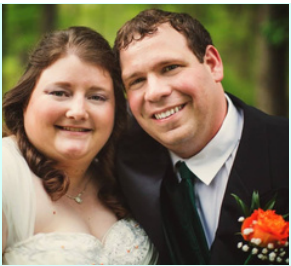

Christi was born in Columbus, Ohio. She is the second oldest of 5 girls. She spent a lot of time working as a vet tech until she decided to pursue a career in nursing. She ended up graduating nursing school and got her first nursing job as a NICU nurse. Later she got her BSN degree and is now currently working as a postpartum mother/baby nurse.

JB

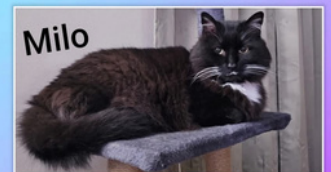

We currently have 3 dogs and a cat. Our pets are very friendly and affectionate. They all are very good with children of any age. They love kids!

We were married in 2014 and bought our first house in 2015. Our home has a large fenced in backyard with lots of room to play. We live in a quiet, country suburb with many friendly neighbors.

In 2019, we were blessed to adopt our son, JB. He is smart, silly, loving, adventurous, playful compassionate, and most of all, he has the biggest heart! We are truly grateful to be his parents.

FUN WITH COUSINS!

Our Promise

Our Promise to our Children,
We promise to you, many fun filled family adventures. We promise fun sports games, summer pool parties, movie nights, country drives, camping trips, and lazy pajama days. There will be lots of cousin hang outs, playground dates, and sleep overs! We will continue our fun family traditions with you like "ice cream dinners", 4th of July parties, and summer cabins.

We also want you to know that we promise to support and protect you until the end of time. We will not only teach you but also show you respect, compassion, kindness, and most of all love. We will teach you that you are loved by us and your heavenly father, but also by your birth parents. We promise to share your birth story so that you will always know the sacrifice your birth parents made out of love for you.

Dear Expecting Parents,

First and foremost, we want you to know we have been praying for you. Our belief in God and prayer has gotten us through many difficult situations in our life. We have no idea the struggles you may be facing right now. For this reason, we wanted to make sure to let you know that we will continue to pray for you. We pray that you will find peace and comfort during this time of need.

We truly believe that every child is a blessing. We believe that if a child is conceived, no matter the circumstances, then there is a plan and reason for that child. All of us are extremely excited to be able to welcome another child through adoption. We are looking forward to meeting you and welcoming you into our family, if that is something you are comfortable with. We would feel honored and blessed to be a part of your story.

We realize the importance of the decision to place a child for adoption and we understand the amount of courage it must take to make that kind of decision. For this reason, we have made a promise to our future child that their birth story and birth parent will forever be honored by us. Whatever decision you make, we know it will be a decision made from love. We will continue to keep you in our prayers.

Love,
Christi and Josh
