

NICK + NIKKI

hello!

We are the Davis's a loving family of three looking to grow. We have been together since 2013 and got married in 2016. We were blessed with our daughter Sofia in 2019 via IVF. We love being parents and desire to add more children to our family. Becoming pregnant again has not been easy. With more love in our hearts, our journey has shifted toward adoption.

Thank you for taking the time to learn about our family. We have a great deal of respect for you and this difficult decision you are making. We are open to whatever level of openness you are comfortable with, and promise to love and support your child unconditionally.

Sincerely,  
Nick and Nikki

# ABOUT *Us*

- Going to local playgrounds
- Cooking/family dinners

- Attending Mass

Family is the most important thing to us, and we are lucky to be surrounded by both sets of grandparents, Aunts, Uncles, and several cousins.
