

Brett & Chanel

Hello! We are Brett and Chanel. We live in the small town East of Columbus. We have been married since 2018. We have two dogs named Rocky and Tucker. They are both very sweet, energetic, and excellent with children. We come from a big blended family. We currently have no children. However, we have 22 nieces and nephews who we help care for often and are excited to bring another child to play with into the family. We love spending time with family, traveling, and music. We are a Christian family and attend church regularly. We are both involved in the children's and worship ministry there. We are also big Ohio State fans! We have struggled with infertility for several years and are hoping to start our family through adoption. We vow to love any child that comes into our home unconditionally and have any level of openness with the child's biologically family as they wish. Thank you for taking the time to learn about us and our family.

Hello, I'm Chanel! I love Jesus, baking, softball, listening to and making music, reading, my family, and being outdoors. Some of my favorite outdoor activities include camping, hiking, walking my dogs, and any outdoor sport or game. I have been a registered nurse for 9 years and currently work at a hospital in Columbus, Ohio. I volunteer weekly at my church as a Sunday School teacher for 2-3rd graders. I am also a big Disney fan! I love having my family together and just spending time with each other. Please know that I am praying for you and that I think that you are amazing! I admire anyone who is willing to give a couple like us a chance to have a family.

Hi, My name is Brett! I've been a truck driver for 5 years. I drive locally so I always get to be home during the evenings and the weekends. I'm definitely an introvert, but I do like going to new places and getting outside of my comfort zone to have new experiences. I enjoy playing guitar, singing, video games, reading, watching movies, and serving the Lord with my musical talents that He gave me. I have been a member of our church worship team since 2017, and I also play music in a band with my dad and my uncle. Dealing with infertility has come with a lot of challenges for us, but we are ready to provide a loving and happy home.

Home

Our neighborhood is very quiet and friendly. We are a very small and tight nit community and look out for each other. The school district here has a very good rating. We have a playground, community pool, library, and ice cream parlor nearby. Our community hosts events throughout the year such as carnivals and a holiday parade and activities. We love our town because it is far enough from the busy city, but close enough to where we can get to anywhere we need to be within about 30 minutes.

Thanks

We just want to say how strong, courageous, beautiful, and strong we KNOW you are. You are a beautiful child of God. The sacrifice you are making to choose to give your child up for adoption is inspirational and admirable. We cannot thank you enough for considering our family or any of the other adoptive families to take care of your precious child. We are open to as much openness as you are to a relationship with your child. We promise to love your child unconditionally, as well as ensure that they know how much you love them and how much God loves them. Thank you so much!

WE LOOK FORWARD TO CONNECTING WITH YOU
