

HAYLEE & JORDAN

Our Story

Our story began in June of 2020 when we met each other online. After spending the next few months texting, calling, and Face-timing constantly, we decided it was finally time to meet in person. On 4th of July weekend Haylee and her dog, Kota, came to watch Jordan coach softball in a travel tournament. That day was just the beginning of something truly special. It marked the start of a family built on a foundation of love, respect, and trust.

We dated and continued building that foundation for two years. We finally got engaged in the spring of 2022 at the same softball fields where we first met. Our wedding was in the fall of 2023 at Tall Oaks in Kirtland, Ohio. We were blessed to be surrounded by all of our wonderful family and friends.

After being happily married for nearly 2 years, we have turned our focus to growing our family. We both knew that adoption was in our hearts long before meeting one another. It was something that we discussed early in our relationship and have looked forward to for some time.

We are eager to move on to our next chapter and welcome a beautiful child into our family. We promise to always provide your sweet child with unconditional love, support, and guidance no matter what.

Haylee

Our Family

Jordan

Haylee grew up in a small town in northern Ohio and had lived there her entire life before meeting Jordan and moving to her home town. She is the oldest sibling in her family with two younger sisters and two younger brothers. She has a very large family with nearly 50 first cousins! She is very close with her friends and family and travels to see them often.

Haylee has her Associates of Science and her Associates of Physical Therapy Assisting Degree. She attended 3 different colleges in the state of Ohio. She currently works from home as a medical claims adjuster for one of the top insurance companies in the nation.

Haylee has several hobbies including gardening, reading, making coffee, playing soccer, painting, embroidery, and riding her motorcycle. She will try anything and everything at least once and loves to learn new things. She is most excited to learn how to be the best Mom she can be.

Jordan grew up in Northeast Ohio and has lived there her entire life. Growing up as an only child, she values nothing more strongly than family. She is very close with her parents, grandparents, cousins, friends, and extended family.

Jordan attended the University of Mount Union where she earned a Bachelor of Arts degree in Early Childhood Education while playing softball all 4 years as their starting left outfielder. She currently works for her family business and is also a collegiate softball coach.

Jordan is very passionate about business, education, and sports. When she is not working or at the softball field, she enjoys relaxing at home with her pets, hanging out with Haylee, and spending time with family.

She is eager to become a Mom and share to her interests with her future child. Jordan has always dreamed of becoming a parent and is excited for what's to come.

Meet Our Zoo!

Kota James is our sweet 8-year-old lab mix who made his way into Haylee's life in January of 2017. They then came as a package deal when Haylee moved in with Jordan. He loves to cuddle his toy alligator, lay on the back deck in the sun, and supervise while Momma cooks.

Jaxon Cameron & Daxton Elliot are our crazy 4-year-old domestic short-hair cats that we adopted in May of 2021. They love to cuddle on their Mom's bed during the day, get crazy and bat around toy mice at night (aka witching hour), and they love sitting by the sliding glass door to watch the leaves blow across the back deck in the fall.

Kiki Rae is a lovey 4-year-old domestic shorthair cat that Haylee adopted for Jordan as an anniversary gift in July 2021. She loves to parkour off of the furniture, sit in her window perch and sunbathe, and hides in drawers.

Ellie Mae is a spunky 3-year-old miniature golden doodle that completed our fur family in July of 2022. We unexpectedly ended up picking her up on our way home from a Luke Combs concert. She loves to play with her toys, chase tennis balls, and run around with her fur siblings. She is the sweetest little snuggle pup!

Our sweet fur babies are so very excited to be big brothers and sisters to a very special little baby!

Our Home & Neighborhood

We live in a three-bedroom single-family home located in a small suburb in Northeast Ohio. We knew back in 2021 that it would be the perfect place to raise our future children.

Our home sits on over a quarter-acre lot with a large fenced in back yard that our pups love to run around in and play. We love sitting out on our back deck by the fire table, host family get togethers & holidays, and have game nights with our friends!

Our beautiful neighborhood is always filled with families walking, people riding bikes, and sounds of children playing outside. We have several parks and bike trails nearby that are great for exploring.

Our neighborhood even has its own playground and splash pad that was newly built.

We are so excited to raise a child in a loving, fun, and supportive home!
