

Drew *and* Cait

A Message for You,

Thank you so much for taking the time to learn about our family. We know this is a deeply personal and emotional journey, and we hope you feel supported and cared for every step of the way.

If you choose to place your trust in us, know that your baby will grow up in a home filled with love, laughter, and endless opportunities. Your child will be seen as the greatest gift and will be loved, valued, and cherished every single day.

Our Story

We met as teenagers, back when life revolved around Friday night games and school dances. What started as a friendship filled with laughter and late-night talks has grown into a love that deepens with every season.

Through the ups and downs of life, we've always been each other's biggest supporters. Ten years into marriage, we still find joy in the little things, cheering each other on, exploring new places, and sharing the kind of laughter that never gets old. Life together still feels like the best kind of adventure.

Life With Our Family

We became parents through adoption in 2021, when Mary Grace joined our family and filled our hearts with joy. Every day with her reminds us how grateful we are for this journey and the love that brought us here.

We're a family rooted in faith, laughter, and togetherness. We love backyard movie nights, beach trips with cousins, and spontaneous dance parties in the living room. Our home is full of warmth, joy, and silly moments we never want to end.

Our Home & Community

We live in a cozy ranch-style home with lots of natural light and room to play. Parks, playgrounds, and trails are just a short walk away, and both our extended families live close by – meaning plenty of cousin time, family dinners, and fun traditions.

Our community is welcoming and family-oriented, and we're surrounded by friends who are just as excited as we are to see our family grow.

We are so grateful for your strength and courage as you consider your options. If your heart leads you to us, please know your child will be embraced with unconditional love, joy, and support.

We can't wait to open our hearts and home to another little one and we'd be honored to walk this journey with you.
