

Jacob and Morgan

About Us

My name is Morgan and my husbands name is Jacob. We would like to thank you for taking time to read our story. We met in 2019 and got married 6 years later. Our love for each other grew over our friendship, love for the outdoors, and family. We feel fortunate to have found each other!

We both have always wanted children, as we both love kids. We both come from large families with lots of nieces and nephews. Jacob comes from a family of 11. Morgan comes from a family of 8. Our interests are many including fishing, hunting and a big garden. We currently live in the country and enjoy all the activities the outdoors can bring.

Jacob was born and raised amish. When he was 18 he left the amish lifestyle. At that time he went to work for a carpenter. 5 years later he started up his own carpentry business. Where he loves to help make people's dreams a reality. He would love to take his skills and teach his future children one day.

Morgan was born and raised in the country on a farm. After high school she went to work with children providing child care for families. She has found that to be extremely rewarding and enjoyed. She is presently a homemaker, where she enjoys cooking and gardening.

Our Story

After meeting in 2019 and dating for awhile we both knew we wanted children; adoption has always been in our hearts. Over our time getting to know each other Jacob started his own business, which brought us closer together. I greatly enjoy going with Jacob to some of his jobs, while also being a homemaker.

We bonded over fishing, hunting and nature. Our dedication to hard work, outdoors and family made our commitment and love grow deeper.

Our home and hearts are fully open to welcoming a child through adoption. We are deeply committed to providing a life filled with unconditional love, emotional security and support.

We look forward to sharing our love with a child; exploring nature trails on family hikes, fishing, and planting a garden and watching it grow as a family. We are excited to create a safe, joyful, and loving home where a child can thrive and know they are always loved.
